The Asst. Wgd. Supt.

Mr. Harold first came to West  
Hartlepool, on a detached duty basis, on 29th December, 1960.  
He was subsequently appointed to a vacancy at the  
Crown's expense (51217/60).

Since 29<sup>th</sup> 12/60, he has been employed on  
boarding and general duties within the port. His previous  
experience has been limited to that of boarding/nummage,  
but he has made two small seizures.

Mr. Harold is very keen and has  
attended to his duties in a satisfactory manner.  
His conduct has been very good and he appears to  
be in excellent health.

I consider him to be suitable for  
employment within his grade.

Collector, Newcastle.
