

Hi Everyone

Happy New Year!

Thank you to all those who responded to my request for help with football photo - it has now been placed on the 'People-Sports & Pastimes' sub-page - and the Liverpool Baggage Hall photo - now on the 'Office & Buildings - England' sub-page.

I have also split my on-line 'Workshop' in two - waterguard.org.uk & tomasin.org.uk. In future, help with any Waterguard material will be Waterguard.org.uk

Finally, since the last Waterguard Web Site Newsletter the following pages have received some attention:

Anecdotes-Liverpool Sub-Page - additional text & PDF

The personal memories of the Princes Baggage Hall at the Landing Stage by John O'Keefe have been added.

Anecdotes-London Sub-Page - additional text & PDF

Bruce Harold de Coetlogan Aylwin's APO memories - thanks to Angela Hume-Smith.

Credits, Recent Editions & Search the Site Pages

Have all been updated.

Help & FAQs Page - additional section & text

A new section covering the 'Rootsweb' e-mailing lists has been added, covering subscribing to them, posting messages to them, searching and viewing the archives and unsubscribing from them.

Office & Buildings - England Sub-Page - additional image

The addition of a photograph of the Prince Baggage Hall at the Liverpool Landing Stage.

People Page - amended section & additional PDF

A PDF extract of the 1947 Green Book supplied by Angela Hume-Smith has been included in the 'Colleagues - Staff Lists' section.

People-Colleague 1945-1972 - A-N Sub-Page - additional text & image

Detail and a photograph of Bruce Harold de Coetlogan Aylwin - thanks to Angela Hume-Smith.

People-PSA Sub-Page - additional PDF & amended text

A PDF extract of the 1947 Green Book supplied by Angela Hume-Smith has been included in the 'Colleagues - Staff Lists' section which has been re-written.

The Work-Ports, Creeks, Stations & Wharves Liverpool Sub-Page - additional image & text

The addition of the Princes Baggage Hall at the Liverpool Landing Stage with a photograph.

Work-Smuggling Sub-Page - additional section & images

The addition of a 'Vehicles' section together with images of concealment spaces found in an Austin 2200 thanks to Angela Hume-Smith.

Cheers

Trev
