

Hi Everyone

Just a point, I'm only a Secondary Modern tyke . . . So, if you want to criticise the grammar or spelling in my e-mails then please quote the instance and indicate the why. I won't learn if don't tell me!

Long sleeve Polo Shirts - for winter warmth! - of a similar design to those available from the Waterguard Merchandise page of the site, also in Navy but manufactured by Gildan, are now available as an alternative HM-Waterguard polo shirt choice, the price? £20-50 each inclusive, plus £5 p&p.

I am often asked to attend Waterguard reunions at various locations and to give 'talks' about the web site. Sadly my limited mobility makes such trips difficult BUT I am able to reach the local seaside pubs in Clevedon to meet with passing 'ex-colleagues. So if you are on the M5 and passing Clevedon - Junction 21 - I would be pleased to meet you, and any family travelling with you, for lunch! Just drop me an e-mail so I can get out my best bib & tucker out in time!

Finally, thanks to those who have helped with my enquires about the post 1972 Lupton Cup saga and the 1962 WTC photos.

Since the last Waterguard Web Site Newsletter the following pages have received some attention:

Anecdotes Pages :: additional sections & text :: The LAP and Manchester Divisions now have anecdotes contributed by Allan Shaw.

Offices & Buildings Pages :: The Scottish page has been edited by Eric Preedy and the spelling, grammar or layout have been altered. The contents remain unaltered. The Coastguard page has new Dawlish, Hove, Petts Level & West Wittering photos and English page now has a c1660 print of Dover Custom House.

People Page :: This page has been edited by Eric Preedy and the spelling, grammar or layout have been altered. The contents remain unaltered.

People-Awarded Honours Page :: This page has been edited by Eric Preedy and the spelling, grammar or layout have been altered. The contents remain unaltered.

People-Bravery Awards 1905-1972 Page :: This page has been edited by Eric Preedy and the spelling, grammar or layout have been altered and the ISOs awarded to John Elliott

and Robert Lewin, the MBEs awarded to Ronald Wescott and Charles Woodcock have been added.
